On a free leg of the course, the following actions are permitted for the sole purpose of accelerating a boat down the face of a wave (surfing) or, when planing conditions exist, responding to an increase in the velocity of the wind: Not more than a maximum of three rapidly-repeated trims and releases of any sail (pumping). ## **11 SCORING**

11.2 Four (4) races are required to be completed by all fleets to constitute a regatta.

- 11.5 A boat's regatta score will be the total of her race scores from her final series races and from her qualifying series races.
- 11.6 Each final series fleet will be scored separately. Different final series fleets need not have completed the same number of final races. The boats in the Gold fleet will be ranked highest, etc.

  - When from five (5) to eight (8) races have been completed, a boat's series score will be the total of her race scores excluding her worst score.
