

Advanced Composite Design and Solution

We are very pleased to invite you
to the presentation of our Flying Dutchman,
the first of a new generation of dinghies,

on Wednesday (July 11) at 17:30 at Boldona Park (Dervio).

The project and the boat will be presented by:

Luca Ungaro – PlanaTech

Antonio Latini – PlanaTech

Umberto Felci – Felci Yacht Design

Paolo Dassi – Structural Engineer (SP, the marine business of Gurit)

a new generation of Flying Dutchman
