

BYE LAWS CONSEQUENCES

First of all.
I'm publishing this as a personal initiative.

Since Alberto and Peter D did not respond on all my emails over the last couple of weeks 'regarding the topic: vacancies' I thought that it was appropriate to inform you as IFDCO-member.

Today it is the 21st of December. From tomorrow 22nd I will be out of office for 2- 3 weeks, because of business. So nothing will be published on the website from now on till mid January 2013.

But time is ticking.

New Bye Laws

On December 13th the new bye laws have been published.

I hope you've been noticing them. And I would like it even better if you studied them.

If you have received the Bulletin already you have noticed the story of Peter Hinrichsen about the major changes on page 7 and 8.

The new bye laws will take effect on the 1st of January 2013. And so are the changes in filling in the positions on the IFDCO board.

Applicants posting

Publication of the names interested in becoming an Exec will be posted on the website before the 1st of April 2013.

Voting

The voting system is work in progress. It is impossible to tell at the moment if this could already be an electronic (web-)voting system.

This is most unlikely since there is no clean record at the moment of all IFDCO-members.

IFDCO members

I'm also pointing out 2.0 members section.

All national secretaries have to process a membership record to the IFDCO General Secretary.

Mary Christmas and a Happy New Year. See you on the piste, Ronald.
