

FD Sailing Festival Bonaire 2013/14

On behalf of the island and the inhabitants of Bonaire, all FD-sailors and their families are invited for a unique and unforgettable experience. From Sunday 29th December 2013 till Thursday 2nd Januari 2014 we will keep the

Flying Dutchman Caribbean Championship

Don't miss it!

But on top of this we are proud to announce that **Plaza Resort Bonaire**

will be our host. All boats are in the boat park of Plaza Resort just 100 m. from the finishing line and your families and all the spectators can see the regatta's from the beach of the Resort, unlimited view over the Bay of Kralendijk. All races and nearly all social events will take place in this resort.

If you book a hotel direct, we **strongly** recommend to book in one of our sponsor hotels:

- Plaza Resort Bonaire.
- Eden Beach
- Lizard Inn

For packages see Travel and Lodging. Information will follow after april 15th.

Bonaire offers something on top. It is a prime location for diving(would you like to have your PADI-certificate in 3 or 4 days?).And of course also for snorkeling. That Bonaire is special, you also experience as you sail. Tropical fish under your boat and flying fish or dolphins that guide you. Not without reason we focus this invitation also to the families of the sailors. Because even for the non-sailors, Bonaire is a holiday paradise. Especially for people who like (rugged) nature. There are beautiful hiking trails, breathtaking coasts and nice beaches. Not so many large beaches as in Aruba. But smaller ones, and more varied. And always the most beautiful fishes within reach. Step from the shoreline into the water and you will be amazed. Therefore: come not only for the sailing but enjoy the whole island as well. So there is enough sailing but also enough time to see or do things on the Paradise Island.

Schedule

Saturday 28th and Sunday morning 29th

Registration **Flying Dutchman Caribbean Championship**
