

General Secretary resigns

Dear IFDCO Committee Member,

You should know that a few days ago I wrote to Alberto and resigned my position as IFDCO General Secretary with immediate effect.

Despite there being only a few weeks to go before I was to complete my term before handing over to my successor, I have concluded that the actions of some members of the committee, were such that I did not wish to continue.

I had already been communicating with Ed Cox for a hand over and setting up meetings etc in Balatonfoldvar, and I will continue to complete this task.

I wish the International Flying Dutchman Class my best wishes and trust that in future

Committee members will conduct themselves in a manner befitting their position, will cooperate for the good of the class and treat each other with respect.

Yours Sincerely,

Peter Doran.
